New Client win in Bonded Trucking Division

Vashi, Navi Mumbai, 10th October 2022: Shreeji Translogistics Limited (STL), an India-based surface logistics and parcel delivery service provider, is pleased to announce a significant client win - UPS, a US based multinational logistics company.

- The Company is happy to announce that it has added United Parcel Service (UPS), a multinational logistics company, as one of its esteemed clients in the bonded trucking division.
- STL is a pioneer in bonded trucking services and will act as one of the foremost and exclusive partners to provide path-breaking bonded trucking services for transshipment of import and export cargo of UPS. The services will be currently provided in the entire southern region of India wherein UPS is presently operating one daily flight.
- This partnership showcases the strength of STL's ability in providing differentiated value-added services and participating in government's focus on providing superior logistics services while reducing overall cost of logistics.
- This association is now a month old and is progressing on expected line while providing ample of growth opportunities for STL.

Commenting on the announcement, the Management team of Shreeji Translogistics Limited, stated

"We are proud to announce the onboarding of new and multinational company as our client. This showcases STL's constant endeavour and steadfast approach in providing extremely customer centric and value-added services.

Further, this association also makes STL become one of the first movers in providing bonded trucking services to UPS in the southern region and is expected to yield an annual revenue of approximately INR 25-30 million.

STL remains confident of maintaining the agility with which it plans to capitalize on more such associations, expand its service offering to newer clients and location and becoming the partner of choice to delivering world class logistics solutions.

With this client addition our position and dominance in the bonded trucking market continues to become stronger and dominant."

About Shreeji Translogistics Limited.

Shreeji Translogistics Limited (STL) was incorporated in 1984, headquartered in Vashi, Navi Mumbai. The Company is engaged in freight management, logistic solutions and warehousing services. It caters a range of logistical requirements from import-export container movement to bonded trucking movements. The various types of services provided by the Company include full truck load transport services (FTL), parcel and part truck load services/ less than truck load (LTL), import-export services and bonded trucking services. It operates different types of trucks on the basis of design and size along with varying capacities. Its container trucks are used for transportation of parcels, white goods and consumer packaged goods (FMCG). The Company's platform trucks are mainly used for import-export containers and also for transportation of heavy-duty goods like automotive parts and machineries. It owns and operates a fleet of 305 owned trucks and more than 4500 outsourced trucks. STL is led by a team of seasoned professionals with robust experience in the logistics sector.
