SHREEJI secures Logistics Champion Award for its Specialized Logistics Services

Vashi, Navi Mumbai, 16th May, 2025: Shreeji Translogistics Limited (STL) one of the leading logistical solution providers in India, is proud to announce that it has been awarded with the “Logistics Champion Award (Mid)” at the 7th India Logistics Strategy Summit 2025, recognizing its resilience, efficiency and adherence to excellence in the field of Logistics.

- Presented by ISCM (Institute of Supply Chain Management) Forums at the 7th India Logistics Strategy Summit 2025, the award celebrates the Company’s leadership in Specialized Logistic Services across India.
- The award recognizes the Company’s strong presence across key ports and industrial hubs combined with its focus on timely delivery, unique initiatives and cargo security which enhances its operational strength. Shreeji was honored as one of the trusted partners for complex logistics requirements.
- The 7th India Logistics Strategy Summit 2025 was held on 7th May, 2025, at Hotel Sahara Star, Mumbai, which brought together delegates and esteemed industry leaders.
- The award is showcased below:

Commenting on the announcement, the Management team of *Shreeji Translogistics Limited*, stated:

"We are deeply honored to receive this recognition. This award brings us immense joy and pride. Our team's dedication to enhance operational strength, customer satisfaction and practice compliance across operations has been instrumental to this Award."

With Shreeji's asset-based model, supported by a dedicated fleet and trained workforce, with investments in GPS-based tracking systems and technology integration, the Company continues to expand its services, adapt to the dynamic demands of the market and remain committed to provide innovative and reliable logistical solutions to our valued clients.

The Logistics Champion Award adds to STL's growing list of accolades and further solidifies its position as a leader in transport and logistics industry. We would like to thank all our team members whose support and endeavor motivates us to strive higher."

About Shreeji Translogistics Limited.

Shreeji Translogistics Limited (STL) was incorporated in 1984, headquartered in Vashi, Navi Mumbai. The Company is engaged in freight management, logistic solutions, and warehousing services. It caters a range of logistical requirements from Over Dimensional Cargo (ODC) movement to bonded trucking movements. The various types of services provided by the Company include full truck load transport services (FTL), parcel and part truck load services/ less than truck load (LTL), import-export services, bonded trucking services, ODC services and Rake handling & transportation services. It operates different types of trucks based on design and size along with varying capacities. Its container trucks are used for transportation of parcels, white goods, and consumer packaged goods (FMCG). The Company's platform trucks are mainly used for import-export containers and also for transportation of heavy-duty goods like automotive parts and machineries. STL is led by a team of seasoned professionals with robust experience in the logistics sector.
