## **Expansion of Geographical Presence in three more locations**

**Vashi, Navi Mumbai, 24<sup>th</sup> January 2023:** Shreeji Translogistics Limited (STL), an India-based surface logistics and parcel delivery service provider, has expanded its geographical presence in three new locations namely Mundra, Kandla, and Gandhidham.

- STL is happy to announce that it has successfully expanded its service network in Mundra, Kandla and Gandhidham.
- These locations act as important logistics hub owing to presence of ports and industrial complexes in vicinity and will provide STL a greater competitive advantage in terms of expanded reach. This expansion is lauded by our existing customers and will attract new customers.
- This presence will enable STL to better participate and contribute to provide efficient logistics services.

Commenting on the announcement, the Management team of *Shreeji Translogistics Limited*, stated:

*"Shreeji Translogistics Ltd is please to announce expansion of its services in three new locations namely Mundra, Kandla, and Gandhidham. These new locations will allow us to better serve our valued customers in the region and provide them with high-quality logistics solutions, as expected from us. STL will specialize in full range of logistics services, specifically FTL, in these new locations and will aim at providing our existing and new clients with reliable and efficient logistics services.*

*We are excited to expand our presence in these important regions and look forward to working with our customers to help them achieve their logistics goals in Mundra, Kandla, and Gandhidham.*

*This expansion is a part of our overall growth strategy which is focused on expanding sustainably while becoming the partners of choice to our varied marquee clients for their logistics requirements and increasingly contribute to the government's vision of lowering overall cost of logistics in the country."*

### **About Shreeji Translogistics Limited**

Shreeji Translogistics Limited (STL) was incorporated in 1984, headquartered in Vashi, Navi Mumbai. The Company is engaged in freight management, logistic solutions, and warehousing services. It caters a range of logistical requirements from import-export container movement to bonded trucking movements. The various types of services provided by the Company include full truck load transport

services (FTL), parcel and part truck load services/ less than truck load (LTL), import-export services and bonded trucking services. It operates different types of trucks based on design and size along with varying capacities. Its container trucks are used for transportation of parcels, white goods, and

consumer packaged goods (FMCG). The Company's platform trucks are mainly used for import-export containers and also for transportation of heavy-duty goods like automotive parts and machineries. It owns and operates a fleet of more than 300 owned trucks and more than 4,500 outsourced trucks. STL is led by a team of seasoned professionals with robust experience in the logistics sector.
