SHREEJI awarded with the prestigious Premier Bonded Trucking Operator Award

Vashi, Navi Mumbai, 19th August 2024: Shreeji Translogistics Limited (STL) one of the large integrated national logistical solution providers in India, has been awarded with the prestigious Premier Bonded Trucking Operator Award at the India Cargo Awards 2024.

- STL is elated to announce that it has been awarded the Premier Bonded Trucking Operator Award at the India Cargo Awards 2024 held at Sofitel, BKC, Mumbai on Monday, 12th August, 2024.
- India Cargo Awards is an all-India platform with a vision to recognize the excellence within the Cargo Industry and acknowledge those who are playing defining role in supporting, growing and taking the industry forward.
- Winning this prestigious award is a testament to STL's unwavering commitment to operational excellence, customer satisfaction, and innovation. This accolade recognizes the Company's consistent dedication to setting industry standards and delivering superior service year after year.
- The award is showcased below:

Commenting on the announcement, the Management team of *Shreeji Translogistics Limited*, stated:

“We are immensely proud and honored to receive the Premier Bonded Trucking Operator Award at the India Cargo Awards 2024 held at Sofitel, BKC, Mumbai on Monday, 12th August, 2024. This achievement is a reflection of the hard work, dedication and passion of our entire team. It also highlights our continuous efforts to push the boundaries of excellence in the transport industry. We are grateful to our customers for their ongoing support and trust in our services.

Bonded Trucking Service, which was a new concept introduced in India in the year 2000, was initially started by STL in the year 2002 and since then STL has been at the forefront of Bonded Trucking Services. The Company’s relentless pursuit of improvement and customer-centric approach have solidified its reputation as an industry leader.

The recognition of this award not only celebrates STL’s success but also reinforces its commitment to future growth and innovation. The Company remains dedicated to enhancing its services and continuing to set new benchmarks in the transport industry.”

About Shreeji Translogistics Limited.

Shreeji Translogistics Limited (STL) was incorporated in 1984, headquartered in Vashi, Navi Mumbai. The Company is engaged in freight management, logistic solutions, and warehousing services. It caters a range of logistical requirements from Over Dimensional Cargo (ODC) movement to bonded trucking movements. The various types of services provided by the Company include full truck load transport services (FTL), parcel and part truck load services/ less than truck load (LTL), import-export services, bonded trucking services, ODC services and Rake handling & transportation services. It operates different types of trucks based on design and size along with varying capacities. Its container trucks are used for transportation of parcels, white goods, and consumer packaged goods (FMCG). The Company's platform trucks are mainly used for import-export containers and also for transportation of heavy-duty goods like automotive parts and machineries. STL is led by a team of seasoned professionals with robust experience in the logistics sector.
