SHREEJI bags business with WSSL Alloy Steel Ltd.

Vashi, Navi Mumbai, 8th May 2023: Shreeji Translogistics Limited (STL), an India-based surface logistics and parcel delivery service provider, has recently bagged WSSL Alloy Steel Ltd. as a new client in the Full Truck Load (FTL) segment.

- Shreeji Translogistics Ltd. is elated to announce that it has added **WSSL (Welspun Speciality Solutions Ltd.) Alloy Steel Ltd.**, a leading manufacturer of Alloy and Stainless-Steel products to its clientele.
- We are delighted to extend our seamless logistics services to our new client, and we anticipate that this collaboration may result in better yields.
- The Company has a proven track record of providing steadfast and proficient logistics solutions, and this new partnership is expected to further enhance its reputation in the logistics service industry and shall be a testament to STL's commitment to deliver remarkable logistics solutions to its clients.

Commenting on the announcement, the Management team of Shreeji Translogistics Limited, stated:

"We are delighted to announce that we have successfully added a new company, WSSL Alloy Steel Ltd. in our client portfolio. This partnership highlights STL's unwavering commitment in delivering highly customer-centric and value-added services. This partnership will leverage to provide new opportunities for STL to expand its share to provide seamless logistics services.

STL is confident in maintaining its agility as it looks forward in capitalizing on more such associations, expanding its service offerings to newer clients and locations, and becoming the preferred partner for delivering outstanding logistics solutions.

Our team is dedicated to providing exceptional service and support to all of our clients, and we are excited to welcome this new partnership. By continuing to deliver high-quality logistics services, staying up-to-date with industry trends, and investing in new technologies and solutions, we can continue to strengthen our position in the logistics services industry. The addition of this new client solidifies our standing as a leading and influential player in the industry, and will help strengthen our market presence even further."

About Shreeji Translogistics Limited.

Shreeji Translogistics Limited (STL) was incorporated in 1984, headquartered in Vashi, Navi Mumbai. The Company is engaged in freight management, logistic solutions, and warehousing services. It caters a range of logistical requirements from import-export container movement to bonded trucking movements. The various types of services provided by the Company include full truck load transport services (FTL), parcel and part truck load services/ less than truck load (LTL), import-export services and bonded trucking services. It operates different types of trucks based on design and size along with varying capacities. Its container trucks are used for transportation of parcels, white goods, and consumer packaged goods (FMCG). The Company's platform trucks are mainly used for import-export containers and also for transportation of heavy-duty goods like automotive parts and machineries. It owns and operates a fleet of around 300 owned trucks and more than 4,500 outsourced trucks. STL is led by a team of seasoned professionals with robust experience in the logistics sector.
