Shreeji Translogistics Ltd adds BHEL as a New Client in its Full Truck Load (FTL) Segment

Vashi, Navi Mumbai, 24th March 2023: Shreeji Translogistics Limited (STL), an India-based surface logistics and parcel delivery service provider, recently bagged Bharat Heavy Electricals Limited as a new client in Full Truck Load (FTL) segment.

- Shreeji Translogistics Ltd is pleased to announce that it has added **Bharat Heavy Electronics Limited (BHEL)**, a leading PSU and India's largest engineering and manufacturing enterprise in the energy and infrastructure sectors, as one of its esteemed client in the FTL division.
- STL is well-positioned to provide BHEL with the logistics support it needs, to keep its operations running smoothly and contribute increasingly in nation building. This partnership is a testament to the quality of services and reliability that Shreeji Translogistics Ltd offers to its clients.
- This order win strengthens the company's dominant market position by providing a groundbreaking, differentiated value added services and cost-efficient solution for transportation, demonstrating its ongoing commitment to becoming a customer-centric and highly service-oriented organization.

Commenting on the announcement, the Management team of Shreeji Translogistics Limited, stated:

"We are happy to announce the addition of a new highly reputed client "Bharat Heavy Electronics Limited (BHEL)" to its customer portfolio, for all India transportation of incoming & outgoing consignments by various categories of trucks from-to different places to-from BHEL, Bhopal and/or anywhere to anywhere. It is a significant achievement for us, and it reflects the hard work and dedication of our team.

STL is well-equipped with a strong fleet of vehicles, experienced drivers, and a professional team that is dedicated to deliver excellent logistics solutions. STL recognizes the importance of timely and efficient delivery of goods, especially in the current business environment where supply chains are paramount importance for smooth business continuity and profitability.

Additionally, this order serves as a noteworthy achievement for Shreeji Translogistics Ltd as it further expands its business horizons. Further, the company's reputation for providing high-quality logistics solutions has resulted in the addition of new client, BHEL, which showcases our increasing scale of operations. We hold a positive outlook on seizing the upcoming opportunities, sustaining and increasing our market position."

About Shreeji Translogistics Limited

Shreeji Translogistics Limited (STL) was incorporated in 1984, headquartered in Vashi, Navi Mumbai. The Company is engaged in freight management, logistic solutions, and warehousing services. It caters a range of logistical requirements from import-export container movement to bonded trucking movements. The various types of services provided by the Company include full truck load transport services (FTL), parcel and part truck load services/ less than truck load (LTL), import-export services and bonded trucking services. It operates different types of trucks based on design and size along with varying capacities. Its container trucks are used for transportation of parcels, white goods, and consumer packaged goods (FMCG). The Company's platform trucks are mainly used for import-export containers and also for transportation of heavy-duty goods like automotive parts and machineries. It owns and operates a fleet of more than 300 owned trucks and more than 4,500 outsourced trucks. STL is led by a team of seasoned professionals with robust experience in the logistics sector.
