Acquires 51% stake in newly incorporated TKD Digitrans Tech Private Limited

Vashi, Navi Mumbai, 19th September 2022: Shreeji Translogistics Ltd. (STL), an India-based surface logistics and parcel delivery service provider, is pleased to inform incorporation of TKD Digitrans Tech Private Limited on September 16, 2022.

- STL is happy to announce the incorporation of TKD Digitrans Tech Private Limited (TKD Digitrans) as its 51% subsidiary. One of the primary agenda of TKD Digitrans is to acquire identified assets and liabilities of TKD Communications LLP, which has an app named TKDost on Google Play Store to build a bridge between Transporters, Truck Owners and Agents and helps in arranging loads/ vehicles from anywhere in India. This app presently serves over 7,000 active users and has over 80,000 number of load post.
- TKD Digitrans is formed with a motive to provide tech enabled integrated logistics solutions. It will focus on developing, updating and maintaining a digital platform which will help in connecting and hosting an ecosystem of transport agencies and truck owners thereby creating a highly agile and prompt service network spanning across the length and breadth of India.
- This development will also enable STL to serve new clients, enter into new geographies and open multi-fold business opportunities.

Commenting on the announcement, the Management team of Shreeji Translogistics Limited, said *"We are proud to announce the incorporation of TKD Digitrans Tech Private Limited with a 51% stake to capitalize on significant opportunities that lie ahead of us in the logistics space.*

This incorporation and planned subsequent acquisition will help us in strengthening our position and enhancing our capability as tech-oriented logistics solutions provider. We believe the digital focus combined with our impeccable record of execution will enable us to grow faster and in a sustainable manner.

With this development we move a step forward in reaching our goal of becoming a completely tech-oriented logistics solution provider in India and serve us newer markets and newer clients."
