## SHREEJI bags business with Amazon India for timely delivery of its goods through Shreeji's Fleet specifically dedicated towards Amazon India

**Navi Mumbai, 1<sup>st</sup> February, 2022:** Shreeji Translogistics Limited, which is a diversified end-to-end logistics service provider and has grown to become one of the largest integrated national logistical solution providers in India, has recently bagged business with Amazon India for delivery of its goods through Shreeji's Fleet.

**Wholetime Director, Mr. Mahendra Shah of Shreeji Translogistics Limited** says that *"We are not just forwarding your shipment, we are adding value and respect with enhanced customer service i.e., we not only carry your goods but also care for it. We are catering to various types of segment leaders and serve a broad range of industries. Due to the Company's strong belief in prompt, safe and timely delivery of goods, we have bagged business with Amazon India, which is India's largest e-commerce Company, for transportation of their goods across India. Some of our fleet are specifically dedicated towards Amazon and are providing time bound delivery service. All these vehicles are integrated with Digital locks. This locking solution provides additional transportation security for swing-out door configurations."*

### About Shreeji Translogistics Limited

Shreeji started as "Shreeji Transport Corporation" (STC) with sole focus on parcel services in 1984. As safety of consignment became the priority, in early 90's, the Company shifted to full-bodied trucks. Then, a new vertical was added by name of "Bangalore Roadways" with focus on truck brokerage business. There came a turning point when Shreeji was converted as "Shreeji Transport Services Private Limited" in 1994. And, in the meantime, the Company's Full Truck Load (FTL) business was increasing in Southern India. Over the years, the Company started using containerized trucks for both FTL & parcel business. The Company also introduced Global Positioning System (GPS) on its trucks for real-time tracking of vehicle movement. In 2002, the Company started and pioneered in Bonded Trucking business, which was a path-breaking move for the Company. Shreeji has been a pioneer in Custom Bonded Trucking since a decade and has also received an Award as Best Custom Bonded Trucking Operator in the Year 2019 by India Cargo Awards. In 2017, the Company got listed and now in 2022, it has migrated to BSE Main Board.

Today, Shreeji owns and operates a strong fleet of commercial vehicles consisting of 290 owned trucks and more than 400 outsourced trucks; having its head office at Mumbai and branches spread across India. The Company has expanded its goods transportation network across various states, covering all the regions across India and provides its goods transportation services over a broad range of distances from Kerala in the South to Jammu in the North,
