#### INDEPENDENT AUDITOR'S REPORT

#### To the Members of STL TRANSWORLD PRIVATE LIMITED

#### **Report on the Audit of the Financial Statements**

#### Opinion

I have audited the accompanying financial statements of STL TRANSWORLD PRIVATE LIMITED, which comprise of the Balance Sheet as at 31st March 2021, and the Statement of Profit and Loss for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In my opinion and to the best of my information and according to the explanations given to me, , the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and its profit/loss for the year ended on that date.

#### **Basis for Opinion**

I conducted my audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). My responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Act and the Rules made thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. I believe that the audit evidence obtained by me is sufficient and appropriate to provide a basis for my audit opinion on the financial statements.

#### Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other ٠ information comprises the information included in the Board report, but does not include the financial statements and my auditor's report thereon.
- My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

#### Flat No 301, M L Space, D.J. Road, Station Road, Above Bank of Baroda, Opp. Mc Donald's, Vile Parle (W), Mumbai - 400056 Tel: 2628 1150 / 2628 1101. Fax: 2628 1101. E- Mail – sanjayshah@scsassociates.in

- In connection with my audit of the financial statements, my responsibility is to read the
  other information and, in doing so, consider whether the other information is materially
  inconsistent with the financial statements or my knowledge obtained during the course
  of my audit or otherwise appears to be materially misstated.
- If, based on the work I have performed, I conclude that there is a material misstatement
  of this other information, I am required to report that fact. I have nothing to report in
  this regard.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

#### Flat No 301, M L Space, D.J. Road, Station Road, Above Bank of Baroda, Opp. Mc Donald's, Vile Parle (W), Mumbai - 400056 Tel: 2628 1150 / 2628 1101. Fax: 2628 1101. E- Mail – sanjayshah@scsassociates.in

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal financial control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions is based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

## A. METHOD OF ACCOUNTING

- a) The Company follows the mercantile system of accounting and recognizes income and expenditure on accrual basis to the extent possible and complies with the Accounting Standards referred to in the Companies Act, 2013.
- b) Financial Statements are prepared under the Historical cost convention. These costs are not adjusted to reflect the impact of changing value in the purchasing power of money.
- c) The preparation of financial statements requires estimates and assumption to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting year. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized.

#### B. INVESTMENTS

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current Investments are carried at the lower of cost and quoted / fair value, computed category wise. Long Term Investments are stated at cost. However, Provision for diminution in the value is made to recognize a decline other than temporary in the value of the investments.

## C. EVENTS OCCURING AFTER THE BALANCE SHEET DATE.

Material events occurring after the Balance Sheet date are taken into cognizance.

## D. LIABILITIES

All material known liabilities are provided for on the basis of available information / estimates.

## E. BORROWING COSTS

Borrowing costs that are attributable to acquisition or production of qualifying assets are capitalized as part of cost of such asset. A qualifying asset is an asset that necessarily takes substantial period to get ready for its intended use / Sale. Other borrowing costs are recognized as expenses in the period in which they are incurred.

## F. EARNING PER SHARE

Basic Earnings per Share are calculated by dividing the Net Profit or Loss for the year attributable to Equity Shareholders by the weighted average number of equity shares outstanding during the year. The weighted average numbers of equity shares outstanding during the year are adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares).

## G. PROVISIONS, CONTINGENT LIABILITIES AND COMMITMENTS

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

Contingent liabilities not provided for, are disclosed by way of notes to the accounts.

## H. TAXES ON INCOME

- a) Provision for Income Tax (current tax) is determined on the basis of the estimated taxable of the current year in accordance with the provisions of the Income Tax Act, 1961.
- b) Deferred tax is recognized in respect of deferred tax assets (subject to the consideration of prudence) & to the extent there is a virtual certainty that the asset will be realized in forseeable future & deferred tax liabilities on timing differences, being the difference between accounting & tax income that originate in one year and are capable of reversal in one or more subsequent years.
